for pre-sorting

60 litre Pedal Bin
for pre-sorting

120 and 240 litre
Spherical Base Collection Bins

Hygienic hands-free separation of food waste or dry materials for recovery or recycling

- Stylish practical design compliant with HACCP food safety guidelines.
- Durable injection moulded PP polypropylene, will not corrode or dent.
- Recycled plastic content option.
- Close fitting and overlapping hinged lid for minimising odour and fly interference.
- Rugged foot pedal with non-slip tread.
- Quiet operation.
- Near vertical lid opening for ease of filling.
- Two retention hooks for secure sack suspension.
- Ergonomic grip at the front for easier manual handling.
- Resistance to detergents and biological matter.
- Easy to clean hard plastic surface.
- Footprint requires minimal floor space.
- Fast assembly without tools, instructions provided.
- Standard colour: Green RAL6024. Other colours on request.
- WENTERRA® Biobag Compostable liners certified to standard EN13432 available for a perfect fit for each capacity of pedal bin and wheeled bin, to keep them clean and hygienic.
