URBA 10 EVO

The kitchen caddy for food waste collection

Fastening system for shopping bag handles.

Handle with lid locking mechanism and "easy bag" system.

Smooth internal surface for easy cleaning and rinsing out.

Customizable with IML (In Mould Labelling) up to 4 colours.

- . The daily tasks of food **waste collection** are made **easy, safe** and more **hygienic**.
- . **Extra wide filling** minimizing spillage for dinnerplates or chopping boards.
- . **Compact design** suitable for placing on a worktop, inside a cupboard door or under the sink.
- . Designed both for **ordinary liners** and for the reuse of biodegradable and compostable **shopping bags**, as well as for **paper bags**.

TECHNICAL FEATURES

Capacity

- . 10 litres

Material

- . 100% virgin recyclable PP, with options for recycled content.
- . Stabilized against the effects of UV light, resistant to chemical detergents and biological matter.
- . Dishwasher safe

Lid
